Re: S. 1982, the Comprehensive Veterans Health and Benefits and Military  
Retirement Pay Restoration Act of 2014

Dear Mr. Chairman:

Military-Veterans Advocacy is a non-profit organization chartered to advocate for the needs of current and former members of the military. Through litigation and advocacy, we take a proactive approach to defend the rights of those who have risked their lives to defend us.

I have had the opportunity to review S 1982, "The Comprehensive Veterans Health and Benefits and Military Retirement Pay Restoration Act of 2014." This bill, if enacted, will provide needed changes to veterans care. I believe that it will give the Department of Veterans Affairs (VA) the necessary tools to better perform their mission of caring for veterans and their families.

Mr. Chairman, Military-Veterans Advocacy unconditionally supports this legislation and we authorize you to publish this letter as proof of said support. We appreciate your efforts on behalf of veterans and hope that you will be successful in enacting this vital legislation.

Sincerely,

  
John B. Wells  
Executive Director
