"Ensuring the Best Schools for Veterans Act of 2022"
SEC. 2. DETERMINATIONS RELATING TO PERCENTAGE OF
STUDENTS OF EDUCATIONAL INSTITUTION
WHO RECEIVE EDUCATIONAL ASSISTANCE BY
DEPARTMENT OF VETERANS AFFAIRS.

(a) In General.—Subsection (d) of section 3680A
of title 38, United States Code, is amended to read as
follows:

“(d)(1) The Secretary shall not approve the enroll-
ment of any eligible veteran, not already enrolled, in any
course for any period during which the Secretary finds
that more than 85 percent of the students enrolled in the
course are having all or part of their tuition, fees, or other
charges paid to or for them by the educational institution
or by the Department of Veterans Affairs under this title
or under chapter 1606 of title 10, except with respect to
tuition, fees, or other charges that are paid under a pay-
ment plan at an educational institution that the Secretary
determines has a history of offering payment plans that
are completed not later than 180 days after the end of
the applicable term, quarter, or semester.

“(2) The Secretary may waive the requirements of
paragraph (1), in whole or in part, if the Secretary deter-
mines, pursuant to regulations which the Secretary shall
prescribe, it to be in the interest of the eligible veteran
and the Federal Government.
“(3)(A) The Secretary shall establish a process by which an educational institution may request a review of a determination that the educational institution does not meet the requirements of paragraph (1).

“(B) An educational institution that requests a review under subparagraph (A)—

“(i) shall request the review not later than 30 days after the start of the term, quarter, or semester for which the determination described in subparagraph (A) applies; and

“(ii) may include any information that the educational institution believes the Department should have taken into account when making the determination, including with respect to any mitigating circumstances.

“(C) The Under Secretary of Benefits shall issue an initial decision for each review requested under subparagraph (A) by not later than 30 days after the date of the request, to the extent feasible.

“(D) An educational institution may request the Secretary to review the decision by the Under Secretary under subparagraph (C). The Secretary shall review each decision so requested and, pursuant to such review, shall issue a final decision sustaining, modifying, or overturning the decision by the Under Secretary.
“(E) The Secretary shall carry out this paragraph without regard to any review process carried out by the Secretary under chapter 51 of this title.

“(4) Paragraph (1) shall not apply to any course offered by an educational institution if—

“(A) the majority of courses offered by the educational institution are approved under sections 3672 or 3675 of this title; and

“(B) the total number of veterans and persons receiving assistance under this title or under chapter 1606 of title 10 who are enrolled in such institution equals 35 percent or less of the total student enrollment at such institution (computed separately for the main campus and any branch or extension of such institution).

“(5)(A) Paragraph (1) shall not apply to any course offered by an educational institution if—

“(i) the majority of courses offered by the educational institution are approved under section 3676 of this title; and

“(ii) the total number of veterans and persons receiving assistance under this title or under chapter 1606 of title 10 who are enrolled in such institution equals 35 percent or less of the total student enrollment at such institution (computed separately for
the main campus and any branch or extension of such institution).

“(B) Notwithstanding subparagraph (A), on a case by case basis, the Secretary may apply paragraph (1) with respect to any course otherwise covered by such subparagraph if the Secretary has reason to believe that the enrollment of veterans and persons described in clause (ii) of such subparagraph may be in excess of 85 percent of the total student enrollment in such course.

“(6) The Secretary shall ensure that an educational institution that meets the requirements of paragraph (4) or (5) submits information to the Secretary on a biennial basis to verify meeting such requirements. During such biennial period in which an educational institution is covered by such verification, the Secretary may not require the educational institution to submit information with respect to meeting the requirements of paragraph (1).

“(7) Paragraph (1) shall not apply with respect to the enrollment of a veteran—

“(D) in a course described in subsection (g).”.
